

UNITED NATIONS
ECONOMIC COMMISSION FOR EUROPE

FERTILITY AND FAMILY SURVEYS

**List of Approved Research Proposals for
Comparative Analysis of FFS Data and
their Progress**

Since mid 1990s over 100 research proposals have been submitted and approved.

1. Parity-specific fertility analysis and union stability in Austria within the European context

Wolfgang Lutz, Austrian Institute for Family Research, Gonzagagasse 19/8, A-1010 Vienna, Austria.

lutz@iiasa.ac.at

2. Comparative analysis of contra-ceptive behaviours and sterilization practices

Catherine de Guibert-Lantoine, Institut National d'Etudes Démographiques, 133 boulevard Davout, 75980 Paris Cedex 20, France

lantoine@ined.fr

3. A comparative analysis of the living arrangements of families with children

Lucky Tedrow, Western Washington University, Demographic Research Laboratory, Bellingham, WA 98225-9081, United States of America.

tedrow@cc.wwu.edu

4. Consequences of early child-bearing

Lucky Tedrow, Western Washington University, Demographic Research Laboratory, Bellingham, WA 98225-9081, United States of America.

tedrow@cc.wwu.edu

5. Family disruption in a comparative perspective

Kathleen Kiernan, London School of Economics, Houghton Street, London WC2A 2AE, United Kingdom.

k.kiernan@lse.ac.uk

6. Changing patterns of family formation

Kathleen Kiernan, London School of Economics, Houghton Street, London WC2A 2AE, United Kingdom.

k.kiernan@lse.ac.uk

7. The changing lives of women: a comparative perspective

Melinda Mills, Population Research Centre, University of Groningen, P.O. Box 800, 9700 AV Groningen, The Netherlands.

m.mills@frw.rug.nl

8. Dynamics in the individual fertility career: country-specific differentials of the impact on the fertility career of the educational, occupational, partner and housing careers in Western countries

Willy Bosveld, Department of Planning and Demography, University of Amsterdam, Nieuwe Prinsengracht 130, 1018 VZ Amsterdam, The Netherlands.

bosveld@ivip.frw.uva.nl

9. Objective and subjective social indicators of social change - employment and family patterns and attitudes towards family/children

Roland Habich, Social Science Research Center Berlin, Reichpietschufer 50, D-10785 Berlin, Germany.

rhabich@medea.wz-berlin.de

10. Family change and the regulation of social inequalities by the Welfare State

Beat Fux, Institute of Sociology, University of Zürich, Rämistrasse 69, CH-8001 Zürich, Switzerland.

fux@soziologie.unizh.ch

11. A comparison of recall lapse and item non-response in FFS event history data

Erik Klijzing, Faculty of Sociology, University of Bielefeld, P.O. Box 100131, 33501 Bielefeld, Germany.

erik.klijzing@uni-bielefeld.de

12. Comparative differences in children's family experience: consequences of unmarried childbearing, cohabitation, marriage and union stability

Larry Bumpass, University of Wisconsin, 1180 Observatory Drive, Madison WI 53706, United States of America.

bumpass@ssc.wisc.edu

13. Discontinuities and paradoxes of the familial models in Europe: analysis and interpretation of selected critical issues

Paolo de Sandre, Department of Statistics, University of Padua, Via S. Francesco 33, 35100 Padova, Italia.

desandre@hal.stat.unipd.it

14. Marginal fertility behaviour - comparative analysis of the timing of first births: early, late, too late

Claudine Sauvain-Dugerdil, Laboratoire de démographie économique et sociale, Université de Genève, 2 rue Dancet, 1211 Genève 4, Suisse.

claudine.sauvain@ses.unige.ch

15. Cohabitation and extra-marital childbearing: early FFS evidence

Erik Klijzing, Faculty of Sociology, University of Bielefeld, P.O. Box 100131, 33501 Bielefeld, Germany.

erik.klijzing@uni-bielefeld.de

16. New forms of reproductive and family behaviour in contemporary Europe: a review of recent findings

An-Magritt Jensen, Norwegian Institute for Urban and Regional Research, P.O. Box 44 Blindern, N-0313 Oslo, Norway.

anmagritt.jensen@svt.ntnu.no

17. The role of the educational and employment systems on demographic behaviour - institutionalization vs. de-institutionalization of biographies

Gert Hullén, Federal Institute for Population Research, Friedrich Ebert Allee 4, 65185 Wiesbaden, Germany.

gert.hullen@statistik-bund.de

18. The decline of nuptiality - a new gain of privacy or a loss of private and family investments?

Gert Hullén, Federal Institute for Population Research, Friedrich Ebert Allee 4, 65185 Wiesbaden, Germany.

gert.hullen@statistik-bund.de

19. Individualization and pluralization of living arrangements and the duality of family and gainful employment in Europe

Jürgen Dorbritz, Federal Institute for Population Research, Friedrich Ebert Allee 4, 65185 Wiesbaden, Germany.

juergen.dorbritz@statistik-bund.de

20. The changing dynamics of union formation

Pierre Turcotte, Population Studies and Training Center, Brown University,
Box 1916, Providence, Rhode Island, United States of America 02912.

turcpie@statcan.ca

21. European variation in the timing of first births and education

Gijs Beets, Netherlands Inter disciplinary Demographic Institute, P.O. Box
11650, 2502 AR The Hague, The Netherlands.

beets@nidi.nl

**22. Transition into adulthood in Europe: from a matter of standard
to a matter of choice**

Martine Corijn, Population Activities Unit, Economic Commission for
Europe, CH-1211 Geneva 10, Switzerland.

martine.corijn@unece.org

**23. Changes in demographic behaviour in Europe: some results
from FFS country reports and suggestions for further research**

Ronny Schoenmaeckers, Population and Family Study Centre,
Markiesstraat 1, B-1000 Brussels, Belgium.

ronald.schoenmaeckers@wvc.vlaanderen.be

24. Case studies of rapid fertility declines to below replacement

John A. Ross, The Futures Group Int., 80 Glastonbury Blvd., Glastonbury,
CT 06033, United States of America.

j.ross@tfgi.com

25. The changing dynamics of union formation

Pierre Turcotte, Statistics Canada, 7-C2, Jean Talon Building, Ottawa,
Ontario K1A 0T6, Canada.

turcpie@statcan.ca

**26. Uncertainty, expectations or institutional change: what causes
the fertility decline in Eastern Germany and Eastern Europe?**

Hans-Peter Kohler, MPI for Demographic Research, Doberaner Str. 114,
18057 Rostock, Germany.

kohler@demogr.mpg.de

27. The impact of female labour force participation on the timing of births, a comparative analysis

Marc Callens, Population and Family Study Centre, Markiesstraat 1, B-1000 Brussels, Belgium.

marc.callens@wvc.vlaanderen.be

28. Development of families in the Baltic region

Peteris Zvidrins, Dpt. of Demography, University of Latvia, 19 Rainis Boulevard, LV 1586 Riga, Latvia.

zvidrins@lanet.lv

29. Complex paternal roles in Europe and North America

Eva Bernhardt, Demography Unit, Stockholm University, 106 91 Stockholm, Sweden.

eva.bernhardt@suda.su.se

30. Comparative differences in fertility behaviour and reproductive values/beliefs between married and cohabiting unions

Majda Cernic Istenic, Scientific Research Center of the Slovenian Academy of Science and Arts, Gosposka 13, 1000 Ljubljana, Slovenia.

majdaci@alpha.zrc-sazu.si

31. The impact of age at first birth, definite childlessness and the occurrence of third births in determining the level of fertility

Ronald Schoenmaeckers, Population and Family Study Centre, Markiesstraat 1, 1000 Brussels, Belgium.

ronald.schoenmaeckers@wvc.vlaanderen.be

32. Changes in contraceptive behaviour during the second demographic transition

Irma-Leena Notkola, Department of Public Health and General Practice, University of Kuopio, P.O. Box 1627, 70211 Kuopio, Finland.

irma-leena.notkola@helsinki.fi

33. Reproductive health in countries in transition: a workshop

Lynda Clarke, Centre for Population Studies, London School of Hygiene and Tropical Medicine, 99 Gower Street, London WC1E 6AZ, United Kingdom.

lynda.clarke@lshtm.ac.uk

34. Attitudes towards marriage and cohabitation and levels of fertility: comparative analysis

Elizabeth Brown, Institut de Démographie de l'Université, Paris I, 90 rue de Tolbiac, 756344 Paris Cedex 13, France.

ebrown@univ-paris1.fr

35. Educational homogamy, sexual division of labour and divorce

Hans-Peter Blossfeld, Faculty of Sociology, University of Bielefeld, P.O. Box 100131, 33501 Bielefeld, Germany.

hp.blossfeld@uni-bielefeld.de

36. Avoidable cancer in Europe: estimating cause-attributable fractions

Paola Pisani, International Agency for Research on Cancer, 150 Cours Albert-Thomas, 69372 Lyon, Cedex 08, France.

pisani@iarc.fr

37. Intergenerational continuities in fertility behaviour

Michael Murphy, Population Studies, Department. of Social Policy, London School of Economics, Houghton Street, London WC2A 2AE, United Kingdom.

m.murphy@lse.ac.uk

38. Towards a world population system?

David Coleman, Dpt. of Applied Social Studies, Barnett House, Wellington Square, Oxford OX1 2ER, UK.

david.coleman@socres.ox.ac.uk

39. Post-modern fertility preferences

Dirk J. van de Kaa, Van Hogenhoucklaan 63, 2596 TB The Hague, The Netherlands.

dvandekaa@compuserve.com

40. A comparative analysis of entry into first sexual intercourse and the use of contraceptive methods

Dunja Obersnel Kveder, Scientific Research Center of the Slovenian Academy of Science and Arts, Gosposka 13, 1000 Ljubljana, Slovenia.

obersnel@alpha.zrc-sazu.si

41. Changing patterns of family formation in EU-member countries

Aart Liefbroer, Netherlands Inter-disciplinary Demographic Institute, P.O.Box 11650, 2502 AR The Hague, The Netherlands.

liefbroer@nidi.nl

42. Family policy and types of female-headed family households

Faith Dasko, Faculty of Sociology, University of Bielefeld, P.O. Box 100131, 33501 Bielefeld, Germany.

43. Leaving home and family formation among young adults: a cross-national comparison

Ann Berrington, Dpt. of Social Statistics, University of Southampton, Southampton SO17 1BJ, United Kingdom.

amb6@soton.ac.uk

44. Patterns of change in family formation in the socialist and transition period: the case of Hungary and Poland

Ewa Fratczak, Institute of Statistics and Demography, Al. Niepodleglosci 162, 02-554 Warsaw, Poland.

ewaf@sgh.waw.pl

45. Demographic change in central and eastern Europe during the transition to market economies

Miroslav Macura, Population Activities Unit, Economic Commission for Europe, CH-1211 Geneva 10, Switzerland.

miroslav.macura@unece.org

46. One or many patterns? A comparative study of period parity-progression ratios in FFS countries

Nicholas Barkalov, Development Group Int., 700 North Fairfax Street, Alexandria, VA 22314, USA.

n.b@worldnet.att.net

47. Influence of government policy on the timing and number of births in Western Europe

Johan Delbeke, Department. of Economics, Stony Brook, NY 11794-4384, USA.

jdelbeke@ccvm.sunysb.edu

48. Consensual unions in Western Europe

Frank Eisele, Department of Sociology, University of Konstanz, Fach D 33, 78457 Konstanz, Germany.

frank.eisele@uni-konstanz.de

49. Unmet family planning needs in Europe?

Erik Klijzing, Faculty of Sociology, University of Bielefeld, P.O. Box 100131, 33501 Bielefeld, Germany.

erik.klijzing@uni-bielefeld.de

50. Population decline and parity distribution in low fertility countries

Nada Chaya, Population Action Inter-national, 1120 19th St. NW, Suite 550, Washington, DC 20036, United States of America.

nchaya@popact.org

51. The negative effects of growing up in a non-intact family and family policy in cross-national perspective

Jonathan Make, 5609 SE Mitchell Street, Portland, OR 97206, United States of America.

jonathan.david.make@directory.reed.edu

52. European East-West contrasts in family planning: a comparative analysis based on FFS evidence

Libor Stloukal, Institute of Population Studies, University of Exeter, 101 Pennsylvania road, Exeter, EX4 6DT, United Kingdom.

l.stloukal@exeter.ac.uk

53. Fertility and reproductive preferences in developed countries

John Bongaarts, The Population Council, One Dag Hammarskjöld Plaza, New York, NY 10017, United States of America.

jbongaarts@popcouncil.org

54. Fathers' involvement in parent-ing and fertility expectations in Germany

Elwood Carlson, Department of Sociology, University of South Carolina, Columbia, SC 29208, United States of America.

carlson@garnet.cla.sc.edu

55. A comparative study concerning family and household structures of young adults in Germany and Italy

Karl U. Mayer, Max Planck Institute for Human Development, Lentzeallee 94, D-14195 Berlin, Germany.

mayer@mpib-berlin.mpg.de

56. Comparative analysis of the non-response bias in FFS

Andrej Kveder, Institute of Medical Sciences, Scientific Research Centre of the Slovenian Academy of Science and Arts, Novi trg 5, 1000 Ljubljana, Slovenia.

andrej@alpha.zrc.sazu.si

57. Child well-being, family structure and the Welfare State

Patrick Heuveline, Population Research Center, NORC & the University of Chicago, 1155 E. 60th Street, Chicago, IL 60637, United States of America.

pheuveli@midway.uchicago.edu

58. Contraceptive use: patterns and attitudes in European countries

Ralf E. Ulrich, Otto-Friedrich University, D-96045 Bamberg, Germany.

ralf.ulrich@sowi.uni-bamberg.de

59. A comparative study concerning the changing of partnership in western Europe

Laurence Charton, Institut de Démographie de l'Université de Paris 1, 22 rue de Rosheim, 67000 Strasbourg, France.

laurence.charton@bfs.admin.ch

60. Reproductive behaviour in women after induced abortion and labour - a comparison of FFS with Russian data

Ekaterina Vikhlyaeva, Research Centre of Obstetrics, Gynaecology and Perinatology, Russian Academy of Medical Sciences, Oparin str. 4, 117815 Moscow, Russian Federation.

e.vikhlyaeva@mtu-net.ru

61. Life-courses in the globalisation process

Jens-Thorsten Sommer, Faculty of Sociology, University of Bielefeld, P.O. Box 100131, D-33501 Bielefeld.

thorsten.sommer@post.uni-bielefeld.de

62. Comparative analysis of differences in desired and realised fertility.

C. Van Peer, Population and Family Study Center, Markiesstraat 1, 1000 Brussels, Belgium

christine.vanpeer@wvc.vlaanderen.be

63. Abortion in European countries – policies and acceptance

J. Roloff, Federal Institute for Population Research, Friedrich Ebert Allee 4, 65185 Wiesbaden, Germany.

juliane.roloff@statistik-bund.de

64. The decline of the fertility rates in Middle Eastern Europe after 1989

Y. Niephaus, Institute of Sociology, University of Heidelberg, Sandgasse, 9, 69117 Heidelberg, Germany

yasemine.niephaus@urz.uni-heidelberg.de

65. The pluralization of living arrangements and family forms

J. Brüderl and S. Aisenbrey, Mannheim Centre for European Social Research, MZES, 68131 Mannheim, Germany

silke.aisenbrey@mzes.uni-mannheim.de

66. Household dynamics of the elderly using a microsimulation method

T. Amstrong, Max Planck Institute for Demographic Research, Doberaner Strasse; 114, 18057 Rostock, Germany

armstrong@demogr.mpg.de

67. Achieving partnership in sexual and reproductive health

J.E. Darroch, S. Singh, A. Bankole, The Alan Guttmacher Institute, 120; Wall Street, New York, NY 10005, U.S.A

jedarroch@agi-usa.org

68. FFS evaluation: comparability of the database

P. Festy, INED, 133 Boulevard Davout, 75980 Paris Cedex 20, France

festy@ined.fr

69. Does the gender pattern of children influence their parents risk of divorce ?

A. Diekmann and K. Schmidheiny, University of Bern, Gesellschaftsstrasse, 49; CH 3012 Bern, Switzerland

schmidheiny@vwi.unibe.ch

70. Demographic implications of social exclusion

D. Avramov, Population and Social Policy Consultants, Maria-Louizasquare, 33 b1, B 1000 Brussels, Belgium

psp@village.uunet.be

71. Leaving home in Poland and Spain: real or apparent similarities

P. Baizan and F. Billari, Max Planck Institute for Demographic Research, Doberaner Strasse 114, D-18057 Rostock, Germany, and E. Fratczak, Warsaw School of Economics, Al Niepodleglosci 162, PL 02 554 Warsaw, Poland

baizan@demogr.mpg.de

72. Comparing family change in South Europe 1965-1999: female experiences in combining family and work

M. Bozinis Andinach, Department of History and Civilisation, Via Boccaccio, 121,I-50133 San Dominico di Fiesole, Italy

bozini@datacomm.iue.it

73. Partnership and fertility in Europe

T. Klein and W. Lauterbach, respectively Heidelberg University, D-69117 Heidelberg and University of Konstanz , D-78434 Konstanz

thomas.klein@urz.uni-heidelberg.de

wolfgang.lauterbach@uni-konstanz.de

74. Transitions to adulthood: cross-national perspectives

A. Gauthier and E. Fussell, respectively University of Calgary, Calgary (Alberta) Canada and University of Pennsylvania, Philadelphia, PA, USA

gauthier@ucalgary.ca

75. Contemporary European fertility and family dynamics

J. Hoem, A. Fürnkranz-Prskawetz, F. Billari, H.P. Kohler, Max-Planck Institute for Demographic Research, Doberaner Strasse 114; D-18057 Rostock, Germany

philipov@demogr.mpg.de

76. Changing patterns of family formation and dissolution: the influence of welfare state regimes on demographic behaviour

M. Solsona and M.J. Gonzalez, Centre d'Estudis Demografics, Universitat Autònoma de Barcelona, 08193 Cerdanyola de Vallès, Barcelona, Spain
mjgonzalez@cedserver.uab.es

77. Comparative studies of stepfamily fertility

E. Thomson, J.M. Hoem, A. Vikat, Department of Sociology and Center for Demography and Ecology, University of Wisconsin-Madison, 1180 Observatory Drive, Madison, Wisconsin 53706 USA and Max-Planck Institute for Demographic Research, Doberaner Strasse 114; D-18057 Rostock, Germany

thomson@ssc.wisc.edu

78. Female employment and family formation in national institutional context.

E. Elias and G. Pierre, Institute for Employment Research, University of Warwick, Coventry, CV4 7AL, United Kingdom

g.pierre@warwick.ac.uk

79. Fertility and family responses to social change.

J. Rychtarikova, Department of Demography and Geodemography, Faculty of Science, Charles University, Albertov 6, 128 43 Praha 2, Czech Republic
rychta@natur.cuni.cz

80. A comparative analysis of low and demography: an economic perspective

O. Ekert-Jaffé, Institut National d'Etudes Démographiques, 133 Boulevard Davout, 75980 Paris Cedex 20, France

ekert@ined.fr

81. The social inheritance of divorce. An international comparison

A. Diekmann and K. Schmidheiny, University of Bern, Gesellschaftsstrasse, 49; CH 3012 Bern, Switzerland

schmidheiny@vwi.unibe.ch

82. Sterilization in the life course of women and men in cross-national perspective

B. Friese and E. Thomson, Department of Sociology and Center for Demography and Ecology, University of Wisconsin-Madison, 1180 Observatory Drive, Madison, Wisconsin 53706 USA

bfriese@ssc.wisc.edu

83. The Mediterranean second demographic transition: incomplete or just different?

T. Castro Martin, J.A Fernandez Cordon, N. Ahn; J.J.Sanchez Barricarte, Instituto de Economia y Geografia, C/Pinar 25; 28006 Madrid Spain; Fundacion de Estudios de Economia Aplicada, Jorge Juan 46; 28001 Madrid; and Universidad Publica de Navarra

tcastro@ieg.csic.es

84. Explaining fertility differences in Europe

C. Onnen-Isemann, Institut für Sociologie, Fachberich 3; D-2611 Oldenburg, Germany

c.onnen@uni-oldenburg.de

85. A multilevel study of the socio-cultural determinants of contraception use

Australian Research Centre in Sex, Health and Society, 215 Franklin Street, Melbourne Vic 3000. Australia.

r.bentley@latrobe.edu.au

86. Family policies, child costs and low fertility

Thomas Diprete, S Philip Morgan, Hana Pacalova, Department of Sociology, Duke University, Durham North Carolina, USA.

tdiprete@soc.duke.edu

87. Are household and family constitution patterns in Europe related to the educational and activity structure

Pau Miret Centre d'Etudis Demogràphics, Universitat Autònoma de Barcelona, 08193 Bellaterra, Barcelone, Spain.

pmiret@ced.uab.es

89. Combining survey and population data for cross-national analysis of births and family

Encarnacion Aracil, Faculty of Sociology and Political Sciences, Universidad Complutense, Campus de Somosaguas, Madrid 28223, Spain.

enaracil@cps.ucm.es

90. Comparison of household formation and fertility patterns in European countries

Stephan Klasen, Joachim Wolff, Hermann Gartner and Rene Böheim,
 Department of Economics, Seminar for Applied Economic Research, LMU
 Munich, 80539 Munich, Germany

klasen@lrz.uni-muenchen.de

91. Low fertility in Southern Europe and women's work at micro and macro level

Silvana Salvini, Department of Statistics, Faculty of Economy, 50134 Florence, Italy

salvini@ds.unifi.it

92. Towards an explanation of single-parenthood dynamics in the Netherlands, Sweden and Spain

Leonor Ruiz and Gijs Beets, NIDI, The Hague, the Netherlands

ruiz@nidi.nl

93. The impact of the labour market on the timing of marriage and births in Spain

Maria Gutiérrez Domènec, London School of Economics, London, United Kingdom

m.gutierrez-demenech@lse.ac.uk

94. Explaining low fertility rates in Europe

Jesse M. Shapiro, Harvard University, Department of Economics, Cambridge, MA 02138, United States of America

jmshapir@fas.harvard.edu

95. Trends in ethnic intermarriage and divorce in the Baltic States

Christiaan Monden, Faculty of Social Sciences, Katholieke Universiteit Nijmegen, The Netherlands

c.monden@maw.kun.nl

96. Fertility, family formation and youth unemployment in Southern-European countries

Paola Giuliano, University of California, Berkely, USA

paolag@econ.berkeley.edu

97. Parental job Insecurity and children's emancipation in Europe and North America

Andrea Ichino, Department of Economics, European University Institute,
Domenico di Fiesole, Italy

Andrea.ichino@iue.it

**98. Fertility control in transition: from abortion to contraception in
the Baltic States**

Gail Grant, University of Southampton, Department of Social Statistics,
Southampton, England

gpg@socsci.soton.ac.uk

**99. Childless by choice? A comparative analysis of voluntary
childlessness**

Wolfgang Ludwig-Mayerhofer, Department of Sociology, University of
Leipzig, Leipzig, Germany

wlm@sozio.uni-leipzig.de

100. Voluntary childlessness in modern societies

Catherine Hakim, London School of Economics, London, United Kingdom

c.hakim@lse.ac.uk
