The Secretary-General of the United Nations, acting in his capacity as depositary and with reference to depositary notification C.N.304.2007.TREATIES-1 of 26 March 2007, announcing the opening for signature of the above Convention, has the honour to transmit herewith two certified true copies of the Convention.

.....

The Secretary-General takes this opportunity to call the attention of the competent authorities to the fact that certified true copies are established specifically for the purpose of enabling the Governments concerned to complete the internal legislative procedures required for ratification, acceptance, approval or accession on the international level. For budgetary reasons, certified true copies are printed in limited numbers, and it is expected that any additional copies that may be required could be reproduced by the authorities concerned themselves on the basis of the two copies accompanying the present notification.
