

# UN/GHS-SC/1/INF.13

**Sub-Committee of Experts  
on the Globally Harmonized System  
of Classification and Labelling of Chemicals  
(First session, 9-11 July 2001  
Agenda Item 7: Implementation)**

## **Transmitted by UNITAR and the ILO**

1. As outlined by UNITAR/ILO in document Inf. 7 and at the informal briefing session held on Tuesday afternoon, the IOMC has welcomed the establishment of a Programme Advisory Group (PAG) for the UNITAR/ILO/IOMC training and capacity building programme on *Assisting Countries to Develop and Implement Chemical Hazard Communication and GHS Action Plans*. The PAG is open to interested governments, organizations and non-governmental groups with a major interest in, and potential commitment to support, capacity building initiatives for chemical hazard communication and GHS implementation. The purpose of the group is to review programme documents, ensure complementarity with other hazard communication initiatives, and provide guidance regarding programme implementation.
2. Interested parties should contact, by the end of this meeting or as soon as possible afterwards:
