Chapter 8.2 Driver's training

Transmitted by the Government of Finland

1. In informal document INF. 4 paragraph 8.2.2.6, there has been added the approval of examination, which is a new issue. In this paragraph, there are no criterions for examination. There are criterions for the training.
 2. What does it mean in the case, where a competent authority prepares the questions for the examination? Who shall approve examination? Or is the original meaning the approval of the examination provider?
 3. Finland believes that this paragraph 8.2.2.6 should only deal with the approval of training.
