(67<sup>th</sup> GRRF, 2 - 5 February 2010,  
agenda item 3(e))

GRRF Informal Working Group “Annex 19 / Annex 20 and Motor Vehicle Electronic Vehicle Stability Control (EVSC)”

**Introduction:**

As a result of discussions at the 66<sup>th</sup> Session of GRRF, WP.29 was invited to authorise the establishment of an Informal Working Group to propose a draft amendment to Regulation 13 to allow Annex 19 and Annex 20 processes to be used in motor vehicle type-approval with regard to electronic stability control systems according to Annex 21.

This was endorsed by WP.29 at its 149<sup>th</sup> session (November 2009) (paragraph 34 of the report ECE/TRANS/WP29/1079) on condition that terms of reference are submitted to WP.29 for consideration at its 150<sup>th</sup> Session (March 2010).

**Terms of Reference:**

The informal working group shall prepare a draft amendment to Regulation 13 to allow the use of a Technical Service produced test report for motor vehicles under the conditions of Annexes 19 and 20 as an alternative method in meeting the requirements of Annex 21 paragraph 2.1.3.

Consideration shall be given to possible amendment of Annex 21 Appendix III in light of experience gained in its use and if appropriate, the amendment of Annex 21 Appendix I and Appendix II.

An amendment draft shall be presented to the September 2010 Session of GRRF.

**Rules of Procedure:**

The informal working group is a sub group of GRRF, and is open to all participants of GRRF.

A Chairman and a Secretary will manage the informal working group.

The official language of the informal working group will be English.

An agenda and related documents will be circulated to all members of the informal working group in advance of all scheduled meetings.

Decisions will be reached by consensus. When consensus cannot be reached, the Chairman shall present the different points of view to GRRF. The Chairman may seek guidance from GRRF as appropriate.
