

**Economic Commission for Europe**

Inland Transport Committee

**Working Party on the Transport of Dangerous Goods****Joint Meeting of the RID Committee of Experts and the  
Working Party on the Transport of Dangerous Goods**

Bern, 21–25 March 2011

Item 5 (b) of the provisional agenda

**Proposals for amendments to RID/ADR/ADN: new proposals****Correction to ECE/TRANS/WP.15/AC.1/2011/4 (Assignment  
of special provision 601 to UN Nos. 3175 and 3243)****Transmitted by the European Chemical Industry Council (CEFIC)**

It has been noticed that the last sentence of paragraphs 2 and 3 of document ECE/TRANS/WP.15/AC.1/2011/4 contains an error which may lead to confusion. Cefic therefore would like to correct these 2 sentences as follows (new words are underlined).

2. ... Although the liquid pharmaceuticals are themselves exempted from RID/ADR/ADN by special provision 601, they are no longer exempted if classified as UN No. 3175, although the risk has decreased.

3. ... Although the liquid pharmaceuticals are themselves exempted from RID/ADR/ADN by special provision 601, they are no longer exempted if classified as UN No. 3243, although the risk has decreased.

This does not impact the rest of the document and proposed amendments
