

PROPOSED AMENDMENTS TO REGULATION NO. 52

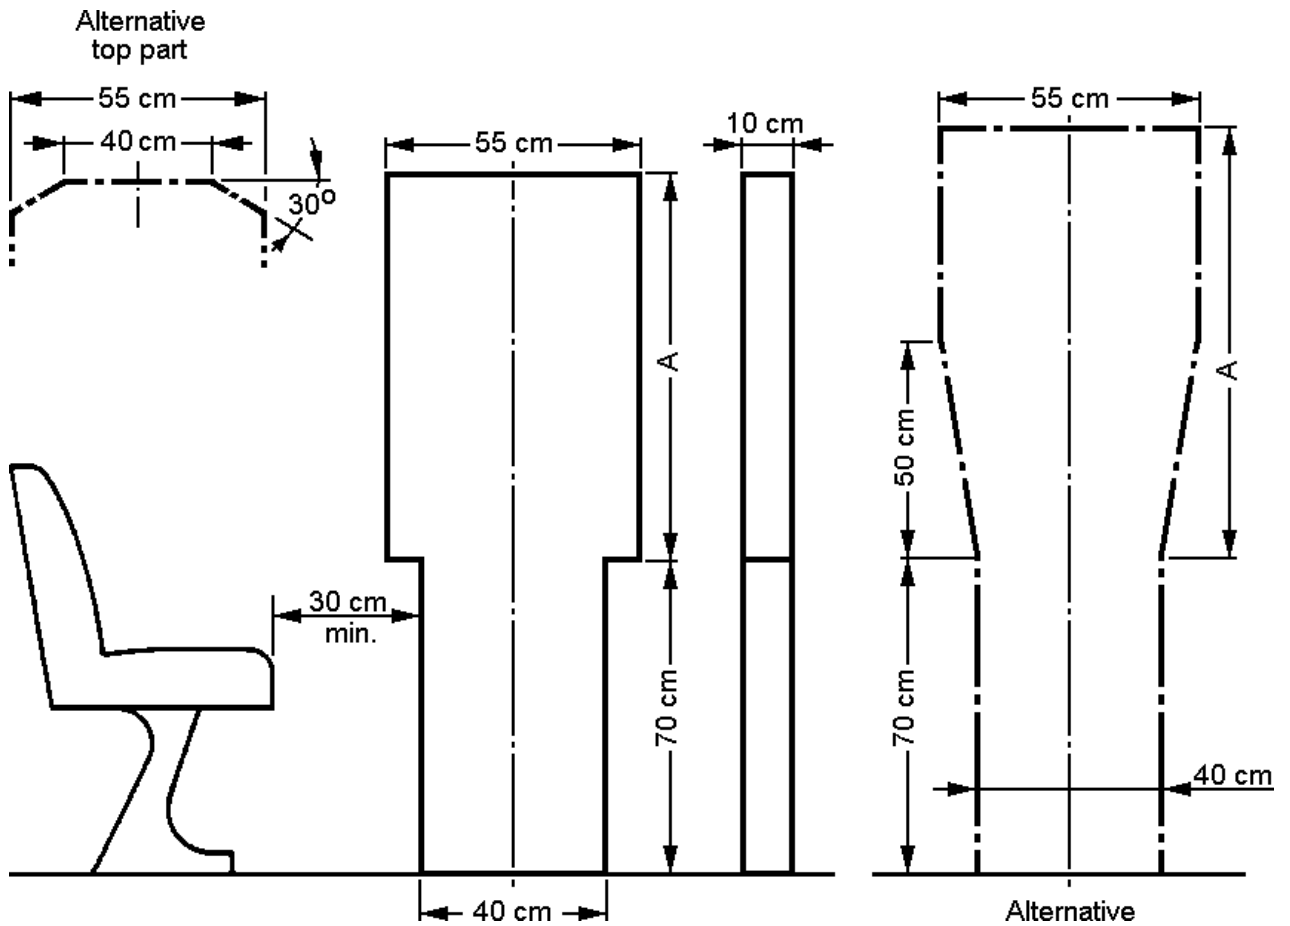

(Small capacity public service vehicles)

Transmitted by the representative of Poland

The title of the Regulation, throughout the text, amend to read (English only):

UNIFORM PROVISIONS CONCERNING THE APPROVAL OF SMALL CAPACITY
PASSENGER VEHICLES WITH REGARD TO THEIR GENERAL CONSTRUCTION

Annex 3, Figure 1, amend as following:

* * *

Justification:

The modification of the title of the Regulation was discussed during the seventy-eighth session of GRSG with a view to align it with the title of Regulation No. 36, however, it was not carried on and it is deemed to be appropriate.

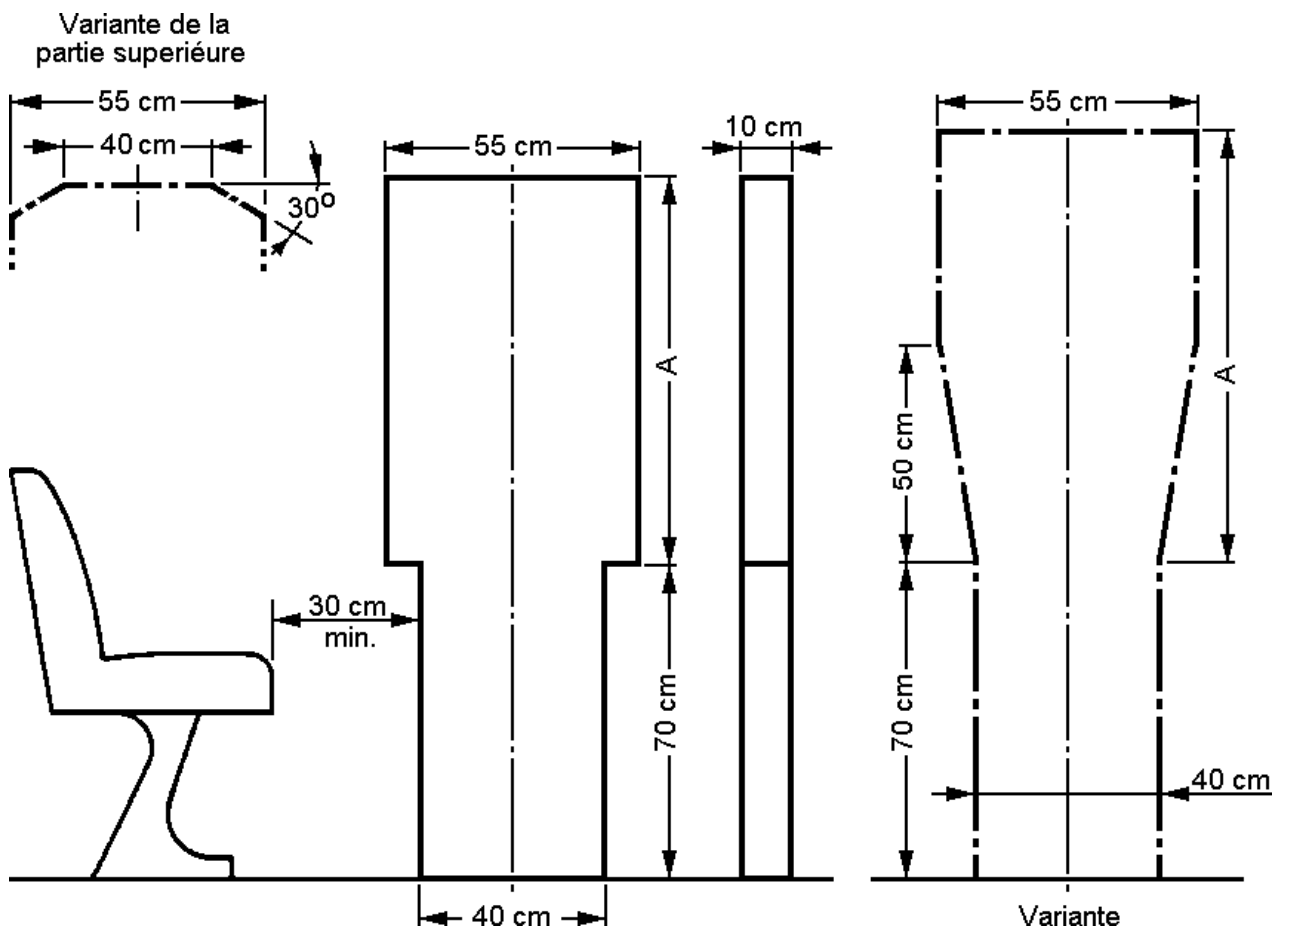

The "alternative top part" which is described in the third subparagraph of paragraph 5.7.1.1. was not shown on the figure 1 of Annex 3, as referred to.

PROPOSITION D'AMENDEMENTS AU RÈGLEMENT NO 52

(Véhicules de transport en commun de faible capacité)

Transmis par le représentant de la Pologne

Annexe 3, figure 1, modifier comme suit :

* * *

Justification:

La "variante de partie supérieure" qui est décrite au troisième alinéa du paragraphe 5.7.1.1. n'est pas incluse dans la figure 1 de l'annexe 3.
