### Bureau Program Support Library Maintenance Controlled Vocabulary

The Controlled Vocabulary is a living document. This version of the Controlled Vocabulary is synchronized with the current version of the Core Component Library (CCL).

- The Controlled Vocabulary should be used in conjunction with submissions to ensure a consistent meaning across submissions.
- If a term exists in the Controlled Vocabulary, please use it!
- If a term does not yet exist, please submit it for inclusion into the Controlled Vocabulary.
- With each submission, changes or additions to the Controlled Vocabulary are accepted.

TERM	UNTDDED	In relation to	Definition	Source	Linked terms	Comments/example
Above Area			Embedded in or a part of.			
Above Deck			Located in a position higher than the deck of a vessel; such as on a mast or other equipment.			
Above Ground			Over a particular surface.			
Acceptance Of Goods		Date/time	Date on which the goods are taken over by the carrier at the place of acceptance (CMR 4).	CMR4	Hand over Accepted	i.e. the transfer of responsibility for an object or activity such as documentation, system etc. from one party to another
